IN MEMORIAM

In memory of Charles Willie Orange, who passed away three years ago, June 19.

The clock ticks on, the time goes by,
I miss you much and I utter a cry;
But God has not left me here alone,
He has come to comfort since you went home.

I miss you in church, at home and on the farm,
I'll miss your face 'til this life is o'er.
I, too, would enter that land so fair
And when the Roll is called, I'll be there.

—Sadly missed by Wife,
Mrs. Etta Orange.

## Mayor Reports On New Town Developments

To the Citizens of The Town of Appomattox:

The regular meeting of the Town Council was held in the Town Office at 7:30 P. M. Monday, June 20. The regular order of business was transacted.

After a very lengthy discussion, the Council decided that kitchen garbage would be collected all over town twice a week during the months of July and August. The Town Mimager stated that this could be accomplished if only kitchen garbage is collected. Let me plead with all of you fine people to give the Town Employees your full cooperation along this line, and I feel sure that the garbage will be collected twice a week during July and August to the satisfaction of everyone concerned. The two days set aside for this are Monday and Thursday, and this ordinance will go into effect as of July 1st. The first collection will be made on Tuesday, July 5th, Monday, July 4th being a holiday, and again on Thursday of the same week, and then each Monday and Thursday through the last of August. During these two months, everyone is requested to burn all trash, for it is impossible for the present town force to pick up all kitchen garbage twice a week and also the trash. Should there be any question, please feel free to call any of you town officials concerning same.

Mr. Robert Seay has been employed by the town as a police officer. He will start his duty as of Wednesday, June 22. It is my sincere opinion that Mr. Seay will try to perform his duties as both a police officer and night watchman in a very sincere and efficient manner. The continued cooperation and assistance of all the citizens in helping Mr. Seay with his duties will be greatly appreciated by all of your town officials.

Let me take this opportunity again to commend everyone for the fine cooperation that the Town Employees were given during our recent "Clean-Up Campaign." Let's everybody continue our efforts to make Appomattox "the most neat and clean town in the State of Virginia."

Your counsel and advise on all public matters is welcomed at all times.

C. T. Moses, Jr.,
Mayor, Town of Appomattox.
